The website header features the TransUnion SmartMove logo on the left and navigation links for Home, Screen a Tenant, For Renters, Blog, and Support in the center. On the right side of the header, there are social media icons and two buttons: a yellow 'SIGN UP' button and a white 'LOG IN' button. A large red arrow points from the text above to the 'SIGN UP' button. Below the header is a main banner area. The left side of the banner shows a dark sofa with a hole in the wall behind it, with the word 'Tenants' overlaid. The right side shows a similar sofa in a well-maintained room, with the words 'Great Tenants' and 'SmartMove can make the difference' overlaid, and a yellow 'START TODAY' button. Below the banner is a horizontal menu with five items: 'Great Tenants', 'Great Reports', 'Great Convenience', and 'Safe & Secure Tenant Screening'. Below this is a section titled 'How SmartMove Works' with three columns of text: 'Landlord invites an applicant to send tenant screening reports through SmartMove', 'Rental applicant authorizes screening and passes online identity verification', and 'SmartMove delivers tenant reports and a recommendation to the landlord, within minutes'. At the bottom, there are two buttons: 'For Landlords' and 'For Renters'.
